Wednesday, April 06, 2005 - JAF Press Release

AGOURA HILLS, April 6, 2005 - Though many people still don't know it, a bill to legalize Physician Assisted Suicide is being considered in the state of California as we speak. The bill, AB654, will be heard by the Judiciary sub-committee in Sacramento on April 12th.

Joni and Friends supports legislation that protects life and provides for a caring environment for the disabled and the infirmed.

We encourage you to contact the California State Legislators listed below to let them know that we don't support legalized assisted suicide.
