

## ***President Bush greets Joni***

April 1, 2004

---

Joni received an invitation from the White House to attend a small formal ceremony on Thursday morning, April 1st, as President Bush signs into law the Unborn Victims of Violence Act -- also known as "Laci and Connor's Law."

This act recognizes that when a criminal attacks a pregnant woman, and injures or kills her unborn child, he has claimed two human victims. In current federal criminal law, an unborn child is not recognized as a victim with respect to violent crimes.
